Jason,

Here's a draft copy of our PowerPoint presentation. Please let me know what you think.

If you would like to change things in your part of the presentation, please let me know as soon as you can so I can get it through the review process before the conference.

Small changes shouldn't be a problem - I can make these after we get clearance.

I am sure that people at the conference will be very curious about your measurement of GenX in the Parkersburg area. The KeepYourPromises folks especially.

Thank you very much,

Andy
